of Correction

Sir:

Enclosed herein is a proposed Certificate of Correction. The Certificate of Correction corrects an error in Claim 8. The correction puts this claim in the form as originally presented and as subsequently amended, if amended. Therefore, the record makes clear that this correction corrects an error, and that the error is the fault of the PTO. The Certificate of Correction also corrects a typographical error on the related application patent number. A copy of the "Amendment Pursuant to 37 C.F.R. §1.312" makes it clear that the typographical error is the fault of the PTO. Hence, no fee is required.

It is respectfully requested that the Certificate of Correction be issued.
